COMMITTEE REPORTS

Planning & Operations

Mr. Thomas reported on the Planning and Operations Committee meeting held on Tuesday, June 10, 2014, during which Mr. Grether provided a rail update and Ms. Hilvers gave an update on the streetcar branding services.

Mr. Thomas then proposed the following items for board approval:

Proposed Motion: Appointment as Directors of Everybody Rides Metro

Mr. Thomas moved for adoption and Mr. Schultz seconded the motion. Mr. Thomas stated that the SORTA Board authorized the creation of the Everybody Rides Metro (“ERM”) foundation, adopted the Code of Regulations, and elected Directors of Everybody Rides Metro. The Operating Agreement between SORTA and ERM states that as seats become available on the ERM Board, the ERM Board will recommend individuals to the SORTA Board for consideration. All Directors are appointed by the SORTA Board. This motion reappoints Tom Hodges and David Hoguet, and appoints Terri L. Nau to replace Liz Carter.

The Board approved the motion.

Proposed Resolution No. 2014-14: Approval to File 2015 Grant Applications

Mr. Bowen moved for adoption and Mr. Thomas seconded the motion. Mr. Thomas stated that each year SORTA must apply for Federal, State, and local funds for the upcoming fiscal year. Board approval is required by the FTA and State of Ohio. Maximum flexibility is required to allow staff to react to changing conditions. Historically, the Board has authorized both the Chief Executive Officer (CEO) and/or the Chief Financial Officer (CFO) to carry out the filing and executing of grant contracts.

By roll call vote, the Board unanimously approved Resolution No. 2014-14.

Proposed Resolution No. 2014-15: FTA Section 5310 Joint Cooperative Agreement

Mr. Thomas moved for adoption and Mr. Reed seconded the motion. Mr. Thomas stated that the Ohio-Indiana-Kentucky Regional Council of Governments (OKI) is the designated recipient for the 5310 Federal Transit Administration (FTA) funding (“Enhanced Mobility of Seniors and People with Disabilities”), which is most often used to support vehicle acquisition for non-profit agencies, particularly in rural areas. Historically, the Ohio Department of Transportation (ODOT) handled the procurement and oversight of this funding. This responsibility is now being transferred to OKI. Since SORTA understands FTA requirements related to vehicle procurement and sub-recipient compliance, OKI has asked that SORTA provide resources and expertise for procurement, grant management and compliance for these funds. SORTA will be reimbursed for its cost in administering the program.

By roll call vote, the Board unanimously approved Resolution No. 2014-15.

Proposed Resolution No. 2014-16: Approval of Contract to Clean City Bus Shelters

Mr. Thomas moved for adoption and Mr. Schultz seconded the motion. Mr. Thomas stated that staff recommends SORTA enter into a three (3) year contract with W J Vorderbrueggen Company located in Cincinnati, Ohio for the provision of bus stop cleaning at a cost not to exceed \$138,915.

By roll call vote, the Board unanimously approved Resolution No. 2014-16.

FINANCE

Ms. Stewart reported on the Finance Committee meeting held on Thursday, June 12, 2014. Ms. Stewart shared information about the Audited Financial Statements from CliftonLarsonAllen and noted that they worked in association with Richardson Associates. Mr. Bowen added how appreciative Ms. Richardson was of the amount of mentoring received and she believed the firm benefited from this relationship.
