**Here's to safety!
Bar coasters carry
"Be Streetcar Safe"
message**

When it comes to safety education, you have to go where the people are. With the arrival of the first streetcar, Metro has partnered with Heidelberg Distributing to provide 10,000 streetcar safety drink coasters to bars and restaurants in Over the Rhine.

The coasters feature the "Be Streetcar Safe" message on one side and five streetcar safety tips on the other side. The streetcars will begin on-street testing this year in Over the Rhine. Testing will follow later in the central business district and The Banks on the riverfront. Metro is responsible for safety communications for Cincinnati Streetcar operations.
