PROJECT NO.: 43-2023

REQUEST: Contract Award for Services

BACKGROUND

Metro operates services that connect to five (5) hub-style locations: Riverfront Transit Center, Northside Transit Center, Glenway Hub, Silverton Hub, and Kenwood Loop. Each location provides riders an opportunity to connect to other routes and operators an opportunity for rest and relief.

BUSINESS PURPOSE

Each location contains a combination of restrooms, common areas, glass, plexiglass, and other standard facilities amenities that require regular and routine cleaning services. Metro staff does not have resources to effectively travel from location to location to complete the required cleaning on the required schedule (each weekday).

PROJECT FINANCING

The total budget for this project is \$380,299 for a 5-year period and will be funded from local operating funds. Year 1 funding of \$78,840 has been approved as part of the FY2023 budget. Subsequent operating budgets will include the remaining project costs.

The total cost for the project is \$451,696 over 5 years and is **unfavorable to budget by (\$71,397)**. Total project costs are reflected below:

Base Year 1	Base Year 2	Base Year 3	Opt. Year 4	Opt. Year 5	5% On-Call	Total
\$78,840	\$83,959	\$86,823	\$86,826	\$93,738	\$21,509	\$451,696

PROJECT PROCUREMENT

The project was solicited using a Request for Proposal methodology. As Metro seeks to maximize annual operating funds, an RFP is the best method for identifying the firm that can add the most value to the project.

Metro notified more than 400 vendors capable of providing the service, including 70 XBE firms and 2 previous incumbent firms. 14 firms downloaded solicitation materials.

5 firms submitted responses, including 4 XBE firms. 2 proposals were disqualified from review based on cost-prohibitive pricing, with each firm proposing more than \$1M for services. Evaluation scores and pricing is noted below:

Vendor	Project Approach Points Based 450 Points (45%)	Firm and Staffing Qualifications Points Based 350 Points (35%)	Price Reward Low Cost 200 Points (20%)	Total Score (Max Score 1000)
Crown Paris Janitorial Services, LLC	278.33	241.67	200 (\$390,728)	720
Nu-look Cleaning LLC	375	258.33	181.66 (\$430,183)	815
Roth Pressure Cleaning Services Inc.	358.33	308.33	194.15 (\$402,500)	860.8
Gem city commercial and residential cleaning Excluded	0	0	0	0
Ta-Dah! Cleaning Services Excluded	0	0	0	0

Nu-look Cleaning LLC	Roth Pressure	Crown Paris Janitorial	Gem city commercial	Ta-Dah! Cleaning
\$430,183.00	\$402,500.00	\$390,728.00	\$1,673,853.00	\$1,299,940.00

After consideration of all factors evaluated during the procurement process, staff recommends award to Nu-Look Cleaning based on the following observations:

- Total evaluation scores are separated by 4.5% of the total possible points; however, Nu-Look scored higher on the most important criterion in the evaluation process (Project Approach).
- Metro emphasizes its commitment to fostering XBE participation in contracting opportunities and identified more than 70 XBE vendors capable of participating in the work scope. Roth made no good faith efforts to include qualified XBE firms in their proposed project plan. Nu-Look is a certified XBE vendor and included subcontracting work to a qualified XBE firm.
- Staff extended a request to Nu-Look and Roth for Best and Final Offers (BAFO). Roth declined
 to negotiate a BAFO. Nu-Look revised their proposed price with a discount of 4.8% off the base
 price and no price increase for Option Year 4, if selected, for a total negotiated savings of
 \$23,433.
- Given that both firms were determined to be equally qualified to perform the requirements of the
 contract, staff determined that Nu-Look provided a better value through its support of diversity
 and inclusion in its subcontracting practices.

This will be a firm fixed price for a 3-year base term and two 1-year option terms, expiring May 31, 2028.

PROJECT DIVERSITY

No required vendor diversity goal was established for this contract due to the significant level of competitive XBE firms capable of performing as prime contractors and the lack of adequate subcontracting opportunities.

Metro targeted 70 certified XBE firms for this project. 4 certified firms returned a response with 1 MBE/SBE firm being selected for award.

100% of the project will be awarded to certified XBE vendors. Nu-Look Cleaning is the prime contractor and a certified M/SBE vendor performing 81.25% (\$367,003). 19.75% (\$84,968) of the proposed work plan will be completed by another certified XBE vendor.

RECOMMENDED BOARD ACTION

Staff recommends the Board of Trustees approve a resolution authorizing the CEO/General Manager/Secretary-Treasurer or the Senior Director of Procurement to execute Contract No. 43-2023, on behalf of Metro with Nu-Look Cleaning LLC, with a not to exceed value of \$451,696.

PROJECT NO.: 43-2023

REQUEST: Contract Award

BACKGROUND

Metro has approximately 260 employees responsible for maintaining and repairing all revenue service and support vehicles. As part of the Collective Bargaining Agreement, Metro provides each Maintenance employee an annual voucher for the purchase of uniform items and required safety work shoes.

BUSINESS PURPOSE

Pursuant to the terms of the Collective Bargaining Agreement, Metro requires a recurring, renewable contract for the provision of uniforms and work shoes for Maintenance employees. In addition, Metro is moving to a high visibility uniform design for added safety, requiring a set of new uniforms for all covered employees.

PROJECT FINANCING

The budget for this project is based on the annual uniform and work shoe allowance provided to each employee. For FY2023, the approved budget is \$285,078, which include the standard uniform/shoe allowance of \$310 (based on 269 employees for a total of \$83,328) and an initial purchase of five (5) high visibility uniforms for each employee at a cost of \$750 per employee (based on 269 employees for a total of \$201,750). Funding for future years will be included in the annual Operating budget(s).

The table below depicts the estimated expenses per year:

	Amount per year,		
	Increases \$10	Amount of employees with	Total Amount with 5%
	each year	5% increase	increase to employees
Initial set of uniforms	\$750.00	269	\$201,750.00
Year 1	\$310.00	269	\$83,328.00
Year 2	\$320.00	282	\$90,316.80
Year 3	\$330.00	296	\$97,796.16
		Total Cost for 5 year	
		contract	\$473,190.96

The final not to exceed value of the contract is \$473,191 and is flat to budget.

PROJECT PROCUREMENT

The project was solicited using a Request for Proposals (RFP) methodology. As Metro seeks to maximize annual operating funds, an RFP is the best method for identifying the firm that can add the most value to the project.

Metro notified more than 400 vendors capable of providing the service, including 5 targeted XBE firms. 11 vendors downloaded solicitation materials and 2 firms responded with proposals.

Proposals were evaluated based on the project approach, including the comfort level and safety visibility of garments. The results of the evaluation are below:

Vendor	Project Approach Points Based 450 Points (45%)	Firm and Staffing Qualification Points Based 250 Points (25%)	Price Reward Low Cost 300 Points (30%)	Total Score (Max Score 1000)
Galls, LLC	396	217.7	260	873.66
UniFirst Corporation	306	177.3	300	783.33

This will be an indefinite delivery, indefinite quantity contract (IDIQ). The not to exceed value is based on the uniform allowance provided to each employee and the total number of employees planned/allocated for each year of the term.

This is a 3-year contract and will expire on May 31, 2026.

PROJECT DIVERSITY

No required vendor diversity goal was established for this contract due to the specialized nature of the work to be performed and the lack of adequate subcontracting opportunities.

Metro targeted 5 certified XBE vendors for this project. None provided a response.

With no subcontracting opportunities, there is no diverse vendor participation for this award.

RECOMMENDED BOARD ACTION

Staff recommends the Board of Trustees approve a resolution authorizing the CEO/General Manager/Secretary-Treasurer or the Senior Director of Procurement to execute Contract No. 52-2023, on behalf of Metro with Galls, LLC, with a not to exceed value of \$473,191.

BACKGROUND

Metro has a responsibility to raise awareness about our service and to communicate, educate, and inform riders of potential changes to service operations. Equally as important is the need to gather feedback from riders so that Metro can focus our efforts on improving the rider experience, increasing community support for transit services, and attract potential bus operators and support staff.

BUSINESS PURPOSE

Street teams are an essential part of community engagement. Metro does not have the staff resources to effectively engage the community at multiple locations, dates, and times.

PROJECT FINANCING

The approved budget for this project is \$189,000 (\$63,000 per year for FY2023, 2024, and 2025). Funding for year 1 has been approved in the FY2023 Operating Budget. Subsequent operating budgets will include the remaining project costs.

Final project cost is \$145,000, which is favorable to budget by \$44,000.

PROJECT PROCUREMENT

The project was solicited using a Request for Proposal methodology. As Metro seeks to maximize annual operating funds, an RFP is the best method for identifying the firm that can add the most value to the project.

Metro notified more than 300 vendors capable of providing the service, including 166 targeted XBE firms.

10 firms downloaded solicitation materials and 3 submitted proposals, including 2 proposals from certified XBE firms. Proposals were evaluated on Project Approach, Firm/Staff Qualifications, and Price. The Voice of Your Customer was determined to be the best value based on scores from evaluators. The contract will be a firm fixed price contract for 2.5 years, expiring on December 31, 2025.

PROJECT DIVERSITY

No required vendor diversity goal was established for this contract due to the significant level of competitive XBE firms capable of performing as prime contractors and the lack of adequate subcontracting opportunities.

Metro targeted 166 certified XBE firms for this project. 2 certified firms returned a response with 1 MBE/WBE firm being selected for award.

100% of the project will be awarded to a certified M/WBE vendor.

RECOMMENDED BOARD ACTION

Staff recommends the Board of Trustees approve a resolution authorizing the CEO/General Manager/Secretary-Treasurer or the Senior Director of Procurement to execute Contract No. 61-2023, on behalf of Metro with The Voice of Your Customer, with not to exceed value of \$145,000.

MetroNow! Launches: Our new on-demand service, *MetroNow!* launched on May 22 in the Springdale/Sharonville zone. Thank you to the board members who helped us mark the occasion during our launch event & ribbon cutting media-op on Wednesday, May 17. We were glad to have all three Hamilton County Commissioners in attendance with Commissioner Alicia Reece making remarks on behalf of the county, in addition to the Mayor of Springdale, the CEO of the Healing Center, leaders from the Colerain Chamber of Commerce, and our very own

Chairman Kreg Keesee & Chief Strategic Planning, Development & Innovation Officer Khaled Shammout.

The Mt. Healthy/Northgate zone is expected to launch in mid-June. Customers can schedule their trip by downloading the *MetroNow!* On-demand app or calling 513-551-5555.

Celebrating Khaled Shammout Day: It's not every day that you get a day named in your honor. Hamilton County celebrated May 13 (513 day) as Khaled Shammout Day following a proclamation by the Hamilton County Commissioners during Asian American Native Hawaiian and Pacific Islander Heritage Month for his work advancing transit in our region. Congratulations, Khaled!

May is Bike Month: Biking and busing make for the perfect pair. That's why we participate in National Bike Month activities each year, including serving as a sponsor for the annual "Breakfast on the Bridge" event where we demonstrate how to use the bike racks on the front of each bus. We also encouraged bikers to give us a try on Bike to Work Day on May 19 by offering them a free trip when they used our bike racks that day to help them get to the top of one of Cincinnati's steep hills or along a portion of their trip.

Safety Month Celebrations Loading: Safety is celebrated at Metro every day, but June's National Safety Month designation gives us a fun excuse to go all out and celebrate our safety stars. This year we have two operators being inducted into the prestigious, National Safety Council's "Two Million Mile Club," which recognizes operators who have driven at least two million miles over 30 years without a preventable accident. Help us celebrate them along with our safety milestone recipients during our annual Safety Awards Luncheon on June 27. Invitations are in the mail.

May has certainly been an exciting month and we have so much more in store as we continue to celebrate our 50th year of service to our community.

Thank you,

Darryl Haley
